

Colorado Colonics & Detox Center

3597 S Pearl St Suite 101 Englewood, CO 80113 (303) 505-0026

Informed Consent

The following has been discussed with me and I understand that:

Information shared is based on research and may include various types of healing such as detox, fasting, cleansing, and wellness coaching. All decisions are made at the discretion and comfort by me (the client signed below).

All people are built different. Experiences will vary.

Holistic Healing supports medical care and is not intended to replace medical intervention in emergency situations.

Information of my choices are recommended to be made to other medical providers that I am currently seeing. It is important that I report all procedures and practices that I am participating in.

All information suggested will be within the scope and range of this practice.

This practice will always be conducted according to accepted standards and ethics.

This practice makes no specific claims regarding results that I may receive from information given.

This practice makes no claims of medical advice, and all information given is not intended to replace, cure, or heal disease.

I understand I have the opportunity to clarify any questions I may have regarding the information given at any time.

I hereby give my consent to receive information pertaining to my individual situation.
